11-41-1: Purpose and Application

A. The Purpose of this Sign Ordinance regulating Signs of All Types is to:

- 1. Preserve and protect the public health, safety, and welfare within the <u>City of Mesa</u>.
- 2. Encourage development of private property in harmony with the desired character of the City while providing due regard for the public and private interests involved.
- 3. Promote the effectiveness of signs by preventing their overconcentration, improper placement, deterioration, and excessive size and number.
- 4. Enhance the flow of traffic and the convenience, ease, and enjoyment of travel within the <u>City of Mesa</u>.
- 5. To protect travelers in the <u>City of Mesa</u> from injury or damage as a result of distraction or obstruction of vision attributable to signs.

B. The Intent of the Application of This Ordinance is to:

- 1. Reduce advertising distractions which may contribute to traffic accidents.
- Assure that public benefits derived from expenditures of public funds for the improvement and beautification of streets and other public structures and spaces shall be protected by exercising reasonable control over the character and design of sign structures.
- 3. Provide an improved visual environment for the citizens of and visitors to the <u>City of Mesa</u>, Arizona.
- 4. Require that signs are properly maintained for safety and visual appearance.
- C. This Sign Ordinance establishes procedures for the enforcement, interpretation, and processing of variances, <u>Use Permits</u>, <u>Special Use Permit</u>, <u>Council Use Permit</u>, and appeals, and for violations and penalties for infractions of the sign regulations.

- D. It is not the intention of this Sign Ordinance to repeal, abrogate, annul, or in any way impair or interfere with existing provisions of other laws or ordinances, except those specifically repealed by this Ordinance.
- E. All buildings, structures, and uses of land shall be subject to the provisions of this Ordinance.

11-41-2: Nonconforming and Discontinued Signs

Return to Page 1

- A. Signs for a Legal Nonconforming Use.
 - 1. New or additional signs for a nonconforming use shall be permitted in accordance with permitted signage for the zoning district in which the nonconforming use is located after the effective date of this Ordinance.
 - 2. A nonconforming sign for a nonconforming use which is discontinued for a period exceeding 12 months, or is superseded by a conforming use, shall be considered a prohibited sign and shall be removed or brought into conformance upon establishment of a conforming use. A nonconforming use shall be deemed discontinued when such use is suspended as evidenced by the cessation of activities or conditions which constitute the nonconforming status of the use.

B. Signs Rendered Nonconforming.

- 1. If at the time of the adoption of this <u>Sign Ordinance</u>, or amendments thereto, or of any extension resulting from annexation, or of any amendment to the <u>Mesa City Code</u>, any sign which is being used in a manner or for a purpose which was otherwise lawful, but does not conform to the provisions of this Ordinance, shall be deemed nonconforming. Such sign may continue only in the manner and to the extent that it existed at the time of such adoption, amendment, or extension.
- 2. Any sign which becomes nonconforming subsequent to the effective date of this Ordinance, either by reason of annexation to the City, or amendment of this Ordinance, the Zoning Ordinance, or other provisions of the Municipal Code so as to render such sign nonconforming, shall be subject to the provisions of this Ordinance.
- 3. Notwithstanding any other provision of this Chapter, legal nonconforming signs that are located on a parcel of property which is severed from a larger parcel of property and acquired by a public entity for public use by condemnation, purchase, or dedication may be relocated on the remaining parcel without extinguishing the legal nonconforming status of that sign provided that the nonconforming sign:
 - a. Is not increased in area or height;
 - b. Remains structurally unchanged except for reasonable repairs or alterations;
 - c. Is placed in the same relative position on the remaining property that it occupied prior to the relocation; and
 - d. Is relocated in a manner so as to comply with all applicable safety requirements.

After relocation pursuant to this Subsection, the legal nonconforming sign shall be subject to all provisions of this Ordinance in its new location.

Chapter 41: Sign Regulations

C. Signs Rendered Discontinued.

- 1. The use of any sign which is located on property which becomes vacant and unoccupied for a period exceeding 6 months shall be deemed to have been discontinued. Any sign whose use has been discontinued is prohibited and shall be removed by the owner of the sign or owner of the premises. Sign structures shall be deemed discontinued if left vacant and unoccupied for a period exceeding 6 months.
- 2. Sign structures which remain vacant, unoccupied, devoid of any message, or display a message pertaining to a time, event, or purpose that no longer applies shall be deemed to be discontinued.
- 3. A sign whose use has been discontinued is prohibited and shall be removed by the owner of the sign or owner of the premises.

D. Alteration or Removal of Nonconforming Signs.

- 1. A nonconforming sign structure shall not be re-erected, relocated, or replaced unless it is brought into compliance with the requirements of this Ordinance, except as provided in Subsection (B)3 of this Section.
- 2. Any construction permit which invokes <u>Certificate of Occupancy</u> requirements shall specify and require that any nonconforming sign located within the boundaries of the development site authorized by said permit shall be brought into conformance with the provisions of this Ordinance, provided that if the nonconforming sign is a type of sign that is prohibited under <u>11-41-8(C)</u> of this Ordinance, it shall be removed.
- 3. Any nonconforming sign shall be removed or rebuilt in full conformity to the terms of this Ordinance if it is damaged or allowed to deteriorate to such an extent that the cost of repair or restoration is 50% or more of the cost of reconstruction of such sign.
- 4. Any sign permit for a detached sign within the boundaries of a group C-O-I development shall specify and require that any nonconforming detached sign within the boundaries of said development shall be modified or removed to conform with the provisions of this Ordinance.
- 5. Detached signs existing within the future width line as specified in 11-41-8(D) shall not be subject to the conditions specified in paragraphs 1 through 4 above provided such signs are in compliance with all other applicable provisions of this Ordinance.

11-41-3: Repeal and Severability

- A. Should any portion or provision of this Ordinance be decided by the courts to be unconstitutional or invalid, such decision shall not affect the validity of the remaining portions of this Ordinance.
- B. Nothing contained in this Ordinance shall affect rights and duties that matured, penalties that were incurred, and proceedings that were begun before its effective date, notwithstanding the provisions of subsection (A) of this Section.

11-41-4: Violations and Enforcement

A. It is hereby declared unlawful for any person, firm, or corporation to construct, place, install, alter, change, maintain, use, or to permit the construction, placement, installation, alteration, change, maintenance, or use of any sign contrary to or in violation of any provisions of this Ordinance, or of any provision designated as a condition of approval either by the plan review process or through an amendment, Special or Council Use Permit, variance, site plan review, Design Review, or appeal by an office, board, commission, or the City Council, as established by this Ordinance.

Chapter 41: Sign Regulations

- B. The installation, construction, or display of any illegal or prohibited sign is hereby declared unlawful and a violation of this Ordinance.
- C. Enforcement of the provisions of this Chapter shall be pursuant to the provisions contained in Chapter 79 of this Ordinance.
- D. <u>Variances, Special Use Permit and Interpretations</u>.
 - 1. An application for a request for variance from the provisions of this Ordinance shall be submitted with the Office of the Zoning Administrator in accordance with Chapter 80 of this Ordinance. A variance may only be granted upon a finding by the Zoning Administrator or Board of Adjustment that:
 - a. There are special circumstances or conditions applying to the land, building, or use referred to in the application; and
 - b. That such special circumstances or conditions are preexisting and not created by the property owner or appellant; and
 - c. The authorizing of the variance is necessary for the preservation and enjoyment of substantial property rights; and
 - d. The authorizing of the variance will not be materially detrimental to persons residing or working in the vicinity of the property, to the neighborhood, or the public welfare in general.
 - 2. Applications for <u>Special Use Permits</u> required by this Ordinance, shall be filed with the Office of the <u>Zoning Administrator</u> in accordance with <u>Chapter 70</u> of this Ordinance. A Special Use Permit may only be granted upon a finding by the Zoning Administrator or <u>Board of Adjustment</u> that the sign covered by the permit and any related use or building will not be detrimental to persons residing or working in the vicinity, to adjacent property, to the neighborhood, or to the public welfare in general.
 - 3. Requests for interpretations of the provisions of this Ordinance shall be filed with the Office of the Zoning Administrator in accordance with Section 11-66-7. The terms and provisions of this Ordinance cannot be changed through an interpretation.

11-41-5: Definitions of Terms

ANIMATED: The movement of any light used in conjunction with a sign such as blinking, traveling, flashing or changing degree of intensity of any light movement other than burning continuously.

ATTACHED SIGN: Any sign which is fastened, attached, connected, or supported in whole or in part as a building.

AWNING SIGN: A sign placed on, affixed to, or incorporated into the surface of an awning, canopy, or similar device.

AWNINGS WITH SIGNS

AWNING: A roof like cover, often of fabric, metal or glass, designed and intended for protection from weather and providing shade, or as decorative embellishment, and which projects from a wall or roof of a structure over a window, walk, door or similar.

BANNER: A temporary sign of fabric, plastic, paper, or other light pliable material.

BILLBOARD: Same as off-site sign.

BUILDING: Any structure used or intended for supporting or sheltering any use or occupancy.

CABINET SIGN: A sign that contains all the text and/or logo symbols within a single enclosed case.

CONTRIBUTING PROPERTY TO A HISTORIC DISTRICT: A building contributing to the historic significance of a district is one which by location, design, setting, materials, workmanship, feeling, and association adds to the district's sense of time and place and historical development. Typically reserved for those structures that are at least 50 years old, in good condition and with their architectural integrity substantially intact. Ordinarily, buildings that have been built within the past 50 years shall not be considered to contribute to the significance of a district unless a strong justification concerning their historical or architectural merit is given or the historical attributes of the district are considered to be less than 50 years old.

COPY: The words, letters, symbols, illustrations, or graphic characters used to convey the message of a sign.

COUNCIL USE PERMIT: A discretionary authorization issued by the <u>City Council</u> upon a finding, through a public hearing, that the proposed activity permitted by such Council Use Permit is in conformance with the intent of this Code, the <u>General Plan</u> and/or other specified plans or Council policies; and will be compatible with, and not detrimental to, adjacent properties or the neighborhood in general. Such Council Use Permit may be limited by specific conditions, restrictions, terms, or time periods. Refer to <u>Chapter 70</u>.

DETACHED SIGN: Any sign permanently anchored to the ground which stands alone on its own foundation and structural supports, and detached from any supporting elements of a building.

DIRECTIONAL SIGN: A sign which includes copy offering pertinent directional information for the purpose of assisting in the flow of vehicular or pedestrian traffic.

DIRECTORY SIGN: A sign listing name, use, and/or location within a building, building complex, or multi-tenant development.

ELECTRONIC MESSAGE DISPLAY: A sign capable of displaying words, symbols, figures, or images that can be electronically changed by remote or automatic means. Such signs shall include the following modes of operations:

Static: Signs which include no animation or effects simulating animation.

Fade: Signs where static messages are changed by means of varying light intensity, where the first

message gradually reduces intensity to the point of not being legible and the subsequent

message gradually increases intensity to the point of legibility.

Dissolve: Signs where static messages are changed by means of varying light intensity or pattern,

where the first message gradually appears to dissipate and lose legibility simultaneous to the

gradual appearance and legibility of the subsequent message.

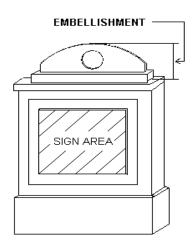

Travel: Signs where the message is changed by the apparent horizontal movement of the letters or

graphic elements of the message.

Scrolling: Signs where the message is changed by the apparent vertical movement of the letters or

graphic elements of the message.

EMBELLISHMENT: Structural or decorative elements of a sign incorporating representations of the significant architectural features of the associated building or development. Embellishment shall not include letters, numerals, figures, emblems, logos, colored bands, or other features conveying a commercial advertising message.

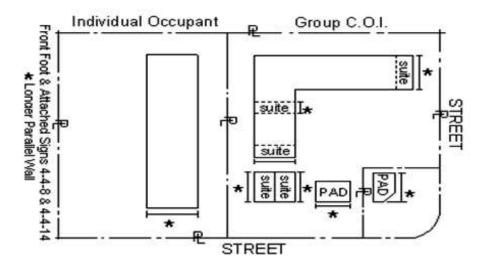

FIXED BALLOON: Any lighter-than-air or gas-filled inflatable object attached by a tether to a fixed place.

FREESTANDING SIGN: Same as detached sign.

FREEWAY: A controlled access highway as defined in <u>A.R.S. §28-601(1)</u>, and all rights-of-way associated therewith.

FREEWAY LANDMARK MONUMENT: A sign structure of architectural quality which exceeds 12 feet in height or 80 square feet in area, intended to be viewed from an adjacent freeway for purposes of identifying an associated commercial or non-commercial development.

FRONT FOOT: The maximum lineal dimension of an exterior wall, excluding canopies and projections, measured on a straight line parallel to a fronting street. For purposes of this definition, all pad buildings and pad occupancies within a group commercial-office-industrial development, located on a corner parcel, are defined as having exterior walls fronting on both streets.

GRADE: The top of curb or edge of pavement where no curb exists.

GROUP C-O-I DEVELOPMENT: A commercial, office, or industrial development where there are located several separate business activities having appurtenant shared facilities, such as driveways, parking, and pedestrian walkways, and which is designed to provide a single area in which the public can obtain varied products and services. Distinguishing characteristics of a group C-O-I development may, but need not, include common ownership of the real property upon which the development is located, common wall construction, and multiple occupant use of a single structure.

HANGING SIGN: A sign suspended from, and located entirely under a covered porch, covered walkway, or an awning (see figures below).

Perpendicular to Building

Parallel to Street

HEIGHT: The vertical distance to the top of a sign, excluding embellishment, measured from the nearest curb, sidewalk, or street grade.

HISTORIC DISTRICT: Seven (7) or more contiguous properties with at least 300 feet of street frontage composed of buildings that contribute to the historic significance of a district by location, design, setting, materials, workmanship, feeling, and association that creates a sense of time and place and historical development. The buildings must be at least 50 years old, in good condition, and with their architectural integrity substantially intact. Ordinarily, buildings that have been built within the past 50 years shall not be considered to contribute to the significance of a district unless a strong justification concerning their historical or architectural merit is given or the historical attributes of the district are considered to be less than 50 years old.

INTERNAL ILLUMINATION: A source of illumination entirely within the sign which makes the sign content visible at night by means of the light being transmitted through a translucent material, but wherein the source of the illumination is not visible.

LEVEL I HISTORIC STRUCTURES: Include buildings that meet <u>National Register</u> criteria; i.e., architectural integrity has been retained or modified in an acceptable manner, association has been established with a prominent person, place, or event in Mesa's history; and the structure is at least 50 years in age. These structures can be nominated to the <u>National Register</u> on their individual merit.

MAINTENANCE: The repair or replacement in-kind of individual sign components including paper, fabric, or plastic copy panels; electrical wiring and bulbs; or paint, stucco, or other exterior finishes. This definition shall not include the replacement of metal or wood cabinets, structural faces, supporting structural members, primary uprights, posts and poles, or the sign in its entirety.

MENU SIGN: A sign used to inform the public of the list of entrees, dishes, foods, and entertainment available in a restaurant.

MENU BOARD: A permanently mounted sign displaying the bill of fare for a drive-thru restaurant.

MONUMENT SIGN: A detached sign mounted on or incorporated into a solid base, and shall be a self-supporting structure.

MULTI-OCCUPANT SIGN: A sign that includes as copy only the names of 2 or more businesses, places, organizations, buildings, or persons it identifies.

MURAL: A painting or pictorial representation applied to or incorporated into a structure or wall, that can be viewed from public places, alleys, rights-of-way.

NONCONTRIBUTING PROPERTY TO A HISTORIC DISTRICT:

A building not contributing to the historic significance of a district is one which does not add to the district's sense of time and place and historical development; or one where the location, design, setting, materials, workmanship, feeling, and association have been so altered or have so deteriorated that the overall integrity of the building has been irretrievably lost.

Ordinarily, buildings that have been built within the past 50 years shall not be considered to contribute to the significance of a district unless a strong justification concerning their historical or architectural merit is given or the historical attributes of the district are considered to be less than 50 years old.

OFF-SITE SIGN: A sign which directs attention for a commercial purpose to a business, commodity, a service, entertainment, or product not related to the other commercial uses existing on the premises upon which the sign is located. Nothing contained in this definition shall be construed to apply to

noncommercial messages or information placed on any sign.

PARAPET WALL: The vertical extension of the exterior building wall above the plate line.

PARCEL: A unit of land shown on a subdivision map, record of survey map, parcel map, or a lot described by metes and bounds, which constitutes a development site whether composed of a single unit of land or contiguous units under common ownership or development.

PEDESTRIAN OVERLAY AREA (POA): The area within the <u>Downtown Core</u> (DC) zoning district which is characterized as the most intensely developed governmental, cultural, and business core. The boundaries of the POA are the east side of Country Club Drive to the west side of Centennial Way, the South side of 1st Street to the North side of 1st Avenue, as depicted below. The centerline of the aforementioned streets shall be construed to be the boundaries.

City of Mesa Redevelopment Pedestrian Overlay Area

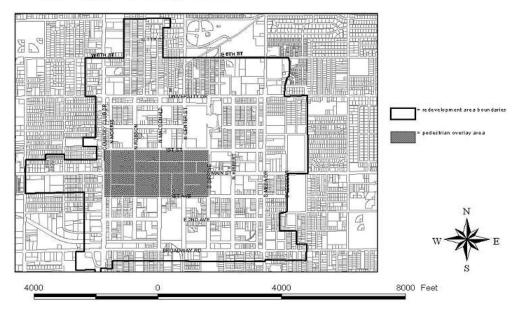

PLATE LINE: The point at which any part of the roof structure first touches or bears upon an external wall.

POLE SIGN: A detached sign supported by one (1) or more uncovered or exposed uprights, supports, or braces.

PORTABLE SIGN: Any sign or advertising device not secured in place, such as an A-frame or spring-loaded sign.

PORTABLE SIGN HEIGHT: The vertical distance to the top of the sign when it is erect, measured from the grade of the sidewalk.

PROJECTING SIGN: A sign attached to a building or other structure and extending in whole or in part more than fifteen inches (15") beyond the building.

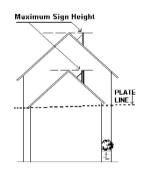

PUBLIC MESSAGE CHANGER: Same as "Time and Temperature Unit."

PUBLIC TRANSPORTATION SIGN: A sign in association with a facility, station, hub or stop related to a publically owned and/or managed transportation system, such as a Bike Share Facility; car share facility; fixed-rail station or stop; and/or trolley, bus-rapid transit or local bus stations or stops; with placement of such signs limited to locations entirely within a street right-of-way or within an easement authorizing the placement of public transportation-related facilities. Such signs shall convey a commercial transactions (on-site or off-site) that are managed and maintained either by the City of Mesa; by a responsible party under contract with the City of Mesa to install and/or manage signs specifically linked to a publically funded transportation system; or by a public organization (organized for the benefit of single or multiple local governments) dedicated to public transportation and in which the City of Mesa is a contractual participant.

READER PANEL: A sign designed to permit immediate change of copy.

ROOF SIGN: An attached sign extending above the plate line or on the parapet of a building or structure, as depicted below.

SIGN: Any device conveying either commercial or noncommercial messages or both commercial or noncommercial messages for visual communication that is used for the purpose of bringing the subject thereof to the attention of the public; but not including any lawful display of merchandise. The term "sign" shall also mean and include any display of one (1) or more of the following: Any letter, numeral, figure, emblem, picture, outline, character, spectacle delineation, announcement, trademark, logo; or

Multiple-colored bands, stripes, patterns, outlines, or delineations displayed for the purpose of commercial identification; or

Anything specified above in part or in combination by any means whereby the same are made visible from beyond the boundaries of the lot or parcel of property on which the same are displayed for the purpose of attracting attention outdoors to make anything known.

SIGN AREA:

The area of a sign is the entire area within a single continuous perimeter composed of parallelograms, circles, ellipses, trapezoids, and triangles, or a combination of 2 of the above or regular portions thereof per sign panel which encloses the extreme limits of the advertising message, announcement, declaration, demonstration, display, illustration, insignia, surface, or space of a similar nature, together with any frame or other material, color, or condition which forms an integral part of the display and is used to differentiate such sign from the wall or background against which it is placed: excluding the necessary supports or uprights on which such sign is placed. Where a sign has 2 faces, the area of both faces shall be included in determining the area of the sign, except that only one (1) face of a double-faced sign shall be considered in determining the sign area, provided both faces are parallel and the distance between faces does not exceed two feet (2'). Where a sign has 3 or 4 faces, the area of the sign shall be calculated as 50% of the total area of all faces, provided the interior angle between adjacent faces is 90° degrees or less.

Where statuary, either genuine or simulated, is used as a sign, the area of said sign shall be the 3 vertical sides of the smallest right rectangle enclosing the figure that are most visible from the public right-of-way.

Embellishment, as defined in this Section, does not constitute sign area.

SIGN STRUCTURE: The supports, uprights, braces and framework of a sign.

SPECIAL USE PERMIT: A discretionary authorization issued by the Zoning Administrator/Board of Adjustment only upon a finding, through a public hearing, that the proposed activity permitted by such Special Use Permit is in conformance with the intent of this Code, the General Plan, and/or other specified plans or Council policies; and will be compatible with, and not detrimental to, adjacent properties or the neighborhood in general; and may be limited by specific conditions, restrictions, terms, or time periods.

STRUCTURE: Anything which is built or constructed or any piece of work artificially built up or composed of parts, including, but not limited to, buildings, fences, towers, overhead transmission lines, and mechanical equipment.

SUBDIVISION DIRECTIONAL SIGN: A temporary sign intended to convey the location of an approved subdivision.

TEMPORARY SIGN: A sign either portable or stationary used to display information relating to a land use or event of limited duration and specified in <u>Section 11-41-7</u> of this Chapter, which is intended to be removed upon termination of said land use or event.

TIME AND TEMPERATURE UNIT: A sign or portion of a sign displaying only current time and temperature in an electronic, digital fashion.

UNIFORM BUILDING CODE (U.B.C.): The current edition of the Uniform Building Code adopted by the City of Mesa.

USE PERMIT: A discretionary written authorization issued through the office of the Superintendent of Building Inspections upon a finding that the proposed activity permitted by such Use Permit is in conformance with the intent of this Code. Such Use Permit may be limited to a specific period of time.

VARIANCE: Authorization to depart from the literal requirements of the Municipal Code generally involving dimensional and locational provisions, but excluding land use.

VEHICLE SIGN: A sign mounted, painted, placed on, attached or affixed to a trailer, watercraft, truck, automobile, or other form of motor vehicle so parked or placed so that the sign thereon is discernable from a public street or right-of-way as a means of communication. The term shall not include a symbol, mark, or other medium of identity that is intrinsic, inherent, or otherwise belonging to the vehicle by nature of its manufacture, or a license plate frame, bumper sticker, spare tire cover, or similar appurtenance displaying a commercial message, when placed in the number, amount, location, and manner customarily found on a vehicle, or messages painted directly on, or adhesive vinyl film affixed to, the interior or exterior surface of a vehicle window.

WALL-MOUNTED SIGN: A sign mounted flat against and projecting less than 15 inches from, or painted on the wall of a building or structure with the exposed face of the sign in a plan parallel to the face of the wall. This does not include window signs.

WINDOW SIGN: Any sign placed on, affixed to, painted on, or located within the casement or sill area of a mineral glass window.

WINDOW SIGN AREA: The window sign area shall be computed by calculating each windowpane or panel. A group of windowpanes or panels may be considered one (1) window if they are adjoining or are not separated by more than 6 inches. The area shall be separate for each building face, and for each window. For purposes of this definition the building face shall include any doors or walls with varying wall planes.

11-41-6: Signs Permitted By Zoning District

A. Purpose and Intent.

The purpose of this Chapter is to provide for reasonable signage for purposes of identification of buildings, developments, and individual occupancies that is compatible with the associated land use and neighboring developments. It is the intent of this Chapter that attached and detached signs are permitted in scale with the intensity of the land use and the size of the development.

B. AG, RS-90, and RS-43 Districts.

- 1. One (1) nonilluminated sign per lot or parcel not exceeding 6 square feet in area or 6 feet in height.
- 2. Such sign shall convey only the use conducted on the property, and/or the name and address of the occupant, lessee, or owner of the premises on which such sign is displayed.

Chapter 41: Sign Regulations

C. RS-35, RS-15, RS-9, RS-7, RS-6 and all RSL Districts.

- 1. One (1) nonilluminated sign per lot or parcel not exceeding 6 square feet in area or 6 feet in height.
- 2. Said sign shall convey only the name and address of the occupant, lessee or owner of the premises on which such sign is displayed.

D. RM-2, RM-3, RM-4, RM-5 and O-C Districts.

- 1. Two (2) signs per parcel or development not exceeding a combined area of one (1) square foot per each 5 lineal feet of street frontage of the lot or development site. Parcels having frontage on more than one street shall be permitted signage based on each street frontage.
- 2. No sign shall exceed 32 square feet in area and, if detached, shall not exceed 8 feet in height.
- 3. Developments in the O-S district shall be permitted at least 24 square feet of sign area.

E. NC, LC, GC, PEP, LI, GI, HI and PS Districts.

- 1. Attached Signs.
 - a. Occupancies with less than 100 front feet: two (2) signs for each occupancy not to exceed 2 square feet of total sign area for each front foot of building occupancy.
 - b. Occupancies with more than 100 front feet: three (3) signs for each occupancy not to exceed 2 square feet of total sign area for each front foot of building occupancy.
 - c. Total attached signage shall not exceed 160 square feet per occupancy.
 - d. Attached signage shall not extend horizontally a distance greater than fifty percent (50%) of the width of the building wall on which it is displayed, except for buildings containing multiple occupancies (See figure below).
 - e. Each occupancy shall be permitted at least 24 square feet of attached signage.
 - f. Occupancies having no exterior wall parallel to a fronting street shall be permitted signage based on 2 square feet of sign area for each lineal foot of exterior wall of the front of such occupancy.
 - g. Occupancies having an exterior building wall parallel to more than one (1) fronting street shall be permitted signage based on the longer parallel wall. Signage placed on the shorter parallel exterior wall shall not exceed 2 square feet of area per front foot of building occupancy of such shorter parallel wall, and this area shall be subtracted from the total allowable sign area (See Figure 11-41-6.A) below.

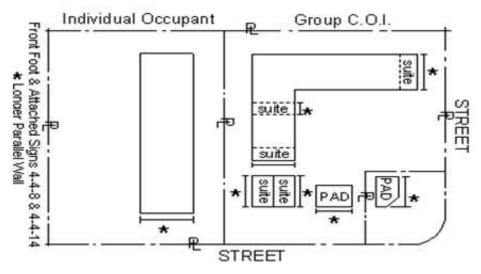

Figure 11-41-6.A

h. Attached signage shall be located on the specific occupancy identified therein and is not transferable from one occupancy to another.

2. Detached Signs.

- a. One (1) square foot of total sign area per lineal foot of street frontage.
- b. One (1) foot of total sign height per each ten feet (10') of street frontage.
- c. Developments, including group C-O-I developments, displaying more than one (1) detached sign per street frontage shall be permitted 50% of total aggregate sign area and sign height specified in (1) and (2) above.
- d. No detached sign shall exceed 80 square feet in area or 12 feet in height.

3. Window Signs.

The following requirement pertains only to those businesses located in the <u>Downtown</u> <u>Zoning Districts</u>:

- a. Maximum of 30% of window coverage is allowed. Seventy percent (70%) of the window must be able to be seen through.
- b. Window signs are only allowed on the ground floor of the building.

F. **PC District.**

- 1. All attached and detached permanent signs in a <u>PC District</u> shall be as specified in the <u>Community Plan</u>, or by an adopted <u>Comprehensive Sign Plan</u> reviewed and approved in accordance with all requirements of <u>Section 11-41-8(D)13</u>.
- 2. <u>Freeway Landmark Monument Signs</u> shall not be governed by a Community Plan for a PC District, and shall be reviewed and decided in accordance with all requirements of <u>Section 11-41-8(D)18</u>.

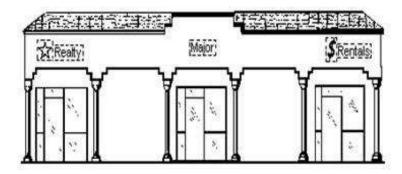

G. **ID Districts**

- For ID-1 districts: All attached and detached signs shall be as specified in this chapter for the selected base zoning district, unless specified otherwise in the adopted Infill Incentive Plan, or by an adopted <u>Comprehensive Sign Plan</u> decided in accordance with <u>Section 11-41-8(D)13</u>.
- 2. For <u>ID-2</u> districts: Allowances for all attached and detached signs shall be specified in the adopted <u>Infill Incentive Plan</u>, or may be determined by separate application for a <u>Comprehensive Sign Plan</u> decided in accordance with <u>Section 11-41-8(D)13</u>.
- 3. <u>Freeway Landmark Monument Signs</u> shall not be governed by a <u>Infill Incentive Plan</u> for an <u>ID</u> District, and shall be reviewed and decided in accordance with all requirements for a <u>Council Use Permit</u> and of <u>Section 11-41-8(D)18</u>.

H. Downtown Zoning Districts Maximum Number and Type/Area/Height of Signs Allowed.

- 1. <u>Table 11-44-1</u> identifies the maximum number of signs, height, area, and type permitted in the <u>Downtown Zoning Districts</u> DR-1, DR-2, DR-3; DB-1, DB-2, AND DC (See following pages).
- 2. <u>Table 2</u> identifies the maximum number of signs, area/height allowed in the Downtown <u>Pedestrian Overlay Area</u> (POA) (See following pages).

The purpose of <u>Table 2</u> is to allow alternative types of signs in the POA in lieu of the number, height, area, and type of signs in the <u>Downtown Zoning District</u> DC.

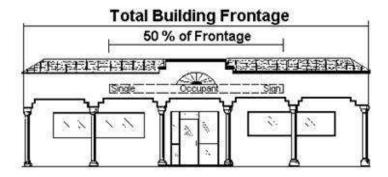

Figure 11-41-6.H

- 1. Discontinued signs under 11-41-2(C) of this Chapter.
- m. Pole signs within the <u>Downtown Zoning Districts</u>.
- n. Roof signs within the <u>Downtown Zoning Districts</u>.

D. Supplemental Provisions.

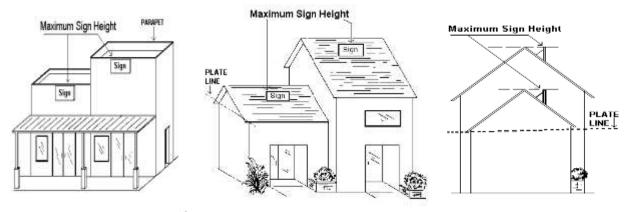

- 1. Schools, churches, or other places of worship located in the <u>AG</u> and Single Residence districts are permitted signage in accordance with Section <u>11-41-6(D)</u> of this Chapter, except in the <u>Downtown Zoning District</u> where such signage is permitted according to Section <u>11-41-6(F)</u> of this Chapter.
- 2. If a sign is externally illuminated, the source of illumination shall not be visible from any adjacent residential zone district, and shall comply with the Outdoor Light Control ordinance of the Mesa City Code, and the Mesa Electrical Code.

- 3. Buildings exceeding 3 stories shall only be identified by the building, building complex, or development name, unless modified by a comprehensive sign plan as provided in this Section, except all buildings over one (1) story in the Downtown Zoning District must obtain a Comprehensive Sign Plan.
- 4. No detached sign shall be located within 50-feet of any other detached sign on the same parcel or development site.
- 5. No sign shall be placed within the future width line of a public street as specified in Section 11-30-6 of this Ordinance except in the Downtown Zoning District, which may be placed within such future width line subject to a sign agreement. A sign agreement shall require a certificate of insurance and comply with the following criteria:
 - a. Public liability insurance in an amount not less than five hundred thousand dollars (\$500,000.00) for injuries to each person, and in an amount not less than five hundred thousand dollars (\$500,000.00) for any one (1) occurrence.
 - b. Property damage insurance in an amount not less than five hundred thousand dollars (\$500,000.00) for damage to the property of each person on account of any one (1) occurrence.
 - c. Said policies shall name the <u>City of Mesa</u> as additional insured and shall constitute primary insurance for the City, its officers, agents, and employees, so that any other policies held by the City shall not contribute to any loss under this insurance.
 - d. Policies shall provide for 30 days' written notice to the City of cancellation or material changes.
- 6. When a sign is placed at the street intersection of a corner parcel, and is situated at an angle so as to be visible from both streets or both frontages, such sign shall not exceed the maximum area allowed for the longest street frontage. The area of such sign shall be deducted from the total area and number of signs permissible on said corner parcel.
- 7. A detached sign may consist of more than one (1) sign panel provided all such sign panels are attached to one (1) common integrated sign structure.
- 8. Detached sign structures may extend above the allowable height for purposes of embellishment, as defined in this Chapter, up to a maximum extension of 20% of the permitted height of the sign (See figure below).

EMBELLISHMENT

- 9. Roof signs are permitted in all Commercial and Industrial districts except in the <u>Downtown Zoning District</u> provided:
 - a. Signs shall not exceed a height of 30% of the height of the building on which said sign is located.
 - b. Signs shall be installed in such a manner that there are no visible angle iron supports, guy wires, braces, or secondary supports. Signs shall appear to be an architectural or integral part of said roof.
 - c. No portion of such sign shall extend above the highest portion of the building or roof where such sign is attached (See figures below).

- 10. Statues, either sculptures, or other three-dimensional figures, used for commercial identification purposes are permitted in all Multiple Residence, Commercial, and Industrial districts subject to approval of a Special Use Permit. The area of such statues, sculptures, or figures shall be deducted from the total allowable sign area.
- 11. Residential subdivisions may display permanent entry identification signs provided such signs:
 - a. Are limited to one (1) wall-mounted sign on each side of said entry; and
 - b. Shall not exceed 12 square feet in area per sign; and
 - c. Shall consist of low-maintenance materials such as metal or ceramic tile; and
 - d. Shall be located on private property, not within the public right-of-way.
- 12. On-site directional or similar informational signs are permitted in conjunction with any multiple- residence, commercial, office, or industrial development provided such signs:
 - a. Do not exceed 3 square feet in area and 3 feet in height; and

- b. Are utilized only when necessary for traffic directional or other informational purposes; and
- c. Do not display corporate colors, logos, or other commercial messages.
- 13. A Comprehensive Sign Plan for a proposed or existing development/building may be approved by the Zoning Administrator/Board of Adjustment in conjunction with the granting of a Special Use Permit under Chapter 70 of this Ordinance The purpose of a Comprehensive Sign Plan is to provide for the establishment of signage criteria that are tailored to a specific development or location, and which may vary from specific Ordinance provisions. The intent is to provide for flexible sign criteria that promote superior design through architectural integration of the site, buildings, and signs. A Comprehensive Sign Plan shall include the location, size, height, construction material, color, type of illumination, and orientation of all proposed signs, either permanent or temporary.

A Comprehensive Sign Plan containing elements which exceed the permitted height, area, and number of signs specified in this Chapter may be approved by the **Zoning** Administrator/Board of Adjustment only upon a finding that:

- a. The development site contains unique or unusual physical conditions, such as topography, proportion, size, or relation to a public street that would limit or restrict normal sign visibility; or
- b. The proposed or existing development exhibits unique characteristics of land use, architectural style, site location, physical scale, historical interest, or other distinguishing features that represent a clear variation from conventional development; or
- c. The proposed signage incorporates special design features such as logos, emblems, murals, or statuaries that are integrated with the building architecture.

The construction and placement of individual signs contained in the approved Comprehensive Sign Plan shall be subject to the issuance of sign permits in accordance with <u>11-41-8(E)</u>.

- 14. Notwithstanding any other provision of this Chapter to the contrary, any noncommercial message may be substituted for the message on any commercial sign permitted by this Chapter, and any other noncommercial message may be substituted for any noncommercial message on any sign permitted by this Chapter.
- 15. Special event signs intended to support, promote, identify, or advertise a licensed special event as authorized by <u>Section 5-1-2</u>, of the Mesa City Code and <u>11-31-27</u> of the Zoning code are permitted in all zoning districts, in accordance with the following:
 - a. Such signs are located entirely upon the property authorized by the special event license as specified in <u>Section 5-1-2</u> of the Mesa City Code.
 - b. Such signs shall not occupy any portion of a public right-of-way except within the <u>Downtown Zoning District</u>, nor be placed in a location prohibited in <u>11-41-8(C)</u> of this Ordinance.
 - c. Such signs are not displayed prior to nor after the dates of the special event as specified in the Special Event License.
 - d. Such signs are permitted in addition to signage otherwise permitted by this Chapter.
 - e. Such signs may include balloons, banners, flags, and portable signs only when displayed in full conformance with the provisions of paragraph 15.

- 16. Multiple colored bands, stripes, patterns, outlines, or delineations displayed for the purpose of commercial identification which constitute a sign as defined in Section 11-41-5 of this Chapter, and which exceed the maximum permitted signage as specified in this Chapter shall only be permitted upon a finding by the Design Review Board in accordance with the procedures set forth in the Administration and Procedures chapter of Title 11 of the Mesa City Code, that such signs:
 - a. Clearly serve as an architectural embellishment to the building or development;
 - b. Are compatible and harmonious with the primary color(s), style, and architecture of the building or development;
 - c. Are integrated into the primary physical elements of the building or development;
 - d. Are constructed or composed of architectural-grade materials such as ceramic tile, metal, glass, or masonry.
- 17. Electronic message displays are permitted in accordance with the following:
 - a. Displays of static messages, where the message change sequence is accomplished immediately or by means of fade or dissolve modes, shall be permitted as a matter of right, subject to the sign size limitations otherwise applicable for the site, provided each message is displayed for a minimum period of one (1) hour.
 - Exception: In any <u>Downtown Zoning District</u>, such display is allowed only after approval of a <u>Special Use Permit</u>.
 - Exception: On a freeway landmark monument, such display is allowed only after approval of a <u>Council Use Permit</u>.
 - b. A Special <u>Use Permit</u> in accordance with <u>Chapter 70</u> of this Ordinance shall be required for approval of the display of static messages displayed for a minimum period less than one (1) hour, and changed by any mode, or for message changes accomplished by the means of travel or scrolling modes. The <u>Zoning Administrator/Board of Adjustment</u> may attach conditions to the approval of such electronic message displays, including limitation on the minimum time period for the display of each message, to the extent necessary to ensure that the granting of the <u>Special Use Permit</u> will not have a detrimental effect on the surrounding area or the public welfare, and will be consistent with the purpose and intent of this Chapter. In making this determination, the <u>Zoning Administrator/Board of Adjustment</u> shall consider the following factors:
 - (1) The speed and volume of the vehicular traffic visually exposed to the sign;
 - (2) The presence of other signs or distracting influences in proximity to the sign location; and
 - (3) The extent to which the design of the sign is compatible with other signs located on the premises.

 Exception: On a freeway landmark monument, such display is allowed only after approval of a Council Use Permit.
 - c. The intensity of the LED display shall not exceed the levels specified in the chart below:

INTENSITY LEVEL (NITS)				
COLOR	DAYTIME	NIGHTTIME		
Red Only	3,150	1,125		
Green Only	6,300	2,250		
Amber Only	4,690	1,675		
Full Color	7,000	2,500		

Prior to the issuance of a sign permit, the applicant shall provide a written certification from the sign manufacturer that the light intensity has been factory pre-set not to exceed the levels specified in the chart above, and the intensity level is protected from end-user manipulation by password-protected software or other method as deemed appropriate by the <u>Building Safety Director</u>.

18. A freeway landmark monument is permitted in all zoning districts, subject to the approval of a <u>Council Use Permit</u> in accordance with <u>Chapter 70</u> of this Ordinance. In addition to the findings required for approval of a Council Use Permit as specified in the definition contained in <u>Section 11-41-5</u> of this Ordinance, a freeway landmark monument may be approved only upon a finding by the <u>City Council</u> that such freeway landmark monument is in compliance with the locational parameters, operational limits, and design standards specified in the <u>Freeway Landmark Monument Guidelines</u>.

Prior to any approval by the <u>City Council</u> of a proposed freeway landmark monument, such proposal shall first be reviewed by the <u>Design Review Board</u> who shall forward its recommendations to the City Council. Such review by the Design Review Board shall be limited to consideration of specific design, materials, and architectural features of the proposed freeway landmark monument.

- 19. Public transportation signs as defined in Section 11-41-5 may be placed in association with any publically owned or managed transportation facility, or with any public bus or transit stop and/or shelter provided:
 - A. All revenue derived from any contract associated with any public transportation sign program shall be dedicated to be used exclusively by those same public transportation system programs; and
 - B. All facilities and equipment dedicated for use and associated with the public transportation sign comply with the standards set for this activity by the contract or designated design standards:
 - i. Approved by the City Council; or
 - ii. Set by a public multiple-jurisdiction transportation system with the sign provider.

E. Sign Permits.

Return to Page 1

- 1. Except as provided in 11-41-8(B), it shall be unlawful for any person to place, display, alter, or relocate a sign without first obtaining a permit or permits from the Building Safety Director. All signs shall conform to the following design standards.
 - a. Signs should be compatible with the style and character of the development and should be an integral design component of the building architecture, landscaping, and overall site development.
 - i. Attached Signs. Attached signs should be integrated with the primary physical features of the building and should not be incongruous to the building architecture. Signs should be composed of individual letters such as pan channel, or other durable material, and should be mounted so that the attachment device is not visible or discernible.
 - ii. Detached Signs. Freestanding signs should incorporate design features associated with the buildings or structures, and should constitute an architectural component of the overall development.
 - b. Sign structures should be monument-style with a base of metal or masonry construction.

- c. Exterior materials, finishes, and colors should be the same or similar to those of the building or structures on site.
- d. The sign structure should reflect the general architectural style or design theme of the development.
- e. Embellishment should be used as a method to incorporate the primary design elements or unique architectural features of the buildings or structures.
- f. The sign copy area should not exceed a horizontal- to-vertical ratio of two to one (2:1).
- g. Internally illuminated signs should provide an opaque background so that only the sign copy is illuminated.
- h. All signs within the <u>Downtown Core</u> (DC) District shall require design review by the <u>Planning Director</u> or designee. Decisions of the Planning Director may be appealed to the <u>Design Review Board</u> in accordance with <u>Section 11-71-5</u> of this Ordinance.
- 2. No person shall construct, place, display, or maintain any sign upon any property without the consent of the owner, owner's agent, or other authorized representative.
- 3. The <u>Building Safety Director</u> shall withhold permits for the use, construction, reconstruction, or alteration of any sign structure unless adequate information is submitted to determine the proposed action is in conformance with the provisions of these sign regulations.
 - a. Application for a permit shall be on the official form provided therefore and accompanied by the following information: scale drawings; the sign legend or commercial message; sign location; dimensions, construction specifications; electrical components and wiring; method of attachment and design of structured members to which attachment is to be made; and location of the foundation or post hole location in relation to the property line, future width line, and public right-of-way.
 - b. The <u>Building Safety Director</u> shall not be compelled to issue a permit for the use, construction, reconstruction, or alteration of any sign structure if such use, construction, reconstruction, or alteration is found to be in conflict with the provisions of this Chapter.
- 4. Every permit issued by the <u>Development and Sustainability Department</u> under the provisions of this Chapter shall expire by limitation and become null and void if the work authorized by such permit is not commenced within one hundred eighty (180) days from the date of such permit, or if the work authorized by such permit is suspended or abandoned for a period of one hundred twenty (120) days or more at any time after the work is commenced. Before such work can be commenced or resumed thereafter, a new permit shall first be obtained and the fee shall be one-half (1/2) the amount required for a new permit for such work, provided no changes have been made in the original plans and specifications for such work and provided further that such suspension or abandonment has not exceeded one (1) year.
- 5. The <u>Development and Sustainability Department Director</u> may, in writing, suspend or revoke a permit issued under provisions of this Section whenever the permit is issued on the basis of a material omission or misstatement of fact, or in violation of this Article or the Mesa City Code.
- 6. No permit for a sign issued by the city shall be deemed to constitute permission or authorization to maintain a public or private nuisance, nor shall any permit issued

hereunder constitute a defense in any action to abate a nuisance.

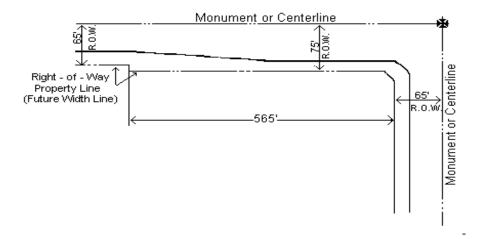

- 7. Sign permits for new or additional signs shall not be issued for a specific occupancy if such occupancy displays unlawful or nonconforming signs. A sign permit may be issued for a specific occupancy provided the terms thereof specify modification or removal of nonconforming signs resulting in conformity with the provisions of this Article.
- 8. Sign permits for new or additional detached signs within a group <u>C-O-I</u> development shall not be issued if unlawful or nonconforming detached signs are displayed within the boundaries of the <u>C-O-I</u> development except as provided in <u>Section 11-41-2(D)</u>. A permit for a detached sign may be issued for a specific occupancy or for identification of the development provided the terms thereof specify modification or removal of nonconforming detached signs resulting in conformity with the provisions of this Chapter.
- 9. Signs for which a permit has been issued shall not be constructed, installed, maintained, or displayed except in complete conformance with all terms, requirements, and stipulations specified by the approved plans and permit, including visual appearance as specified in 11-41-8(H).
- 10. When the <u>Development and Sustainability Director</u> refuses to issue a permit on the grounds of violation of this Chapter or the <u>Mesa City Code</u>, appeal from such decision may be made to the <u>Zoning Administrator</u> in accordance with the <u>Administration and Procedures</u> chapter of this Title.
- 11. Before issuing any sign permit required by this Chapter, the City shall collect a fee in accordance with the fee schedule adopted by Council resolution. No part of any such fee shall be returnable after a sign permit has been issued and such fee paid.
- 12. Whenever any sign for which a permit is required by this Chapter has been placed or displayed without first obtaining a permit, a special investigation shall be made before a permit may be issued. An investigation fee equal to, and in addition to, the permit fee shall be collected.
- 13. All signs having been issued a permit in accordance with this Chapter shall bear a City of Mesa sign insignia. Such sign insignia shall be furnished by the <u>Development and Sustainability Division</u> at permit issuance and shall be affixed by the sign installer on the exterior surface of the sign in a location where such information will be readily visible, legible, and accessible for inspection after installation.
- 14. All signs for which a permit is required shall be subject to the following inspections, unless waived by the <u>Development and Sustainability Director</u>:
 - a. Footing inspections on all detached signs, including situations where square footage or panels are added to existing detached signs.
 - b. Electric inspections on all signs prior to placement.
 - c. Final inspection which shall cover the sign location, structural members, and placement of the insignia.
- 15. Sign permits may be issued for individual signs authorized by an approved Comprehensive Sign Plan in accordance with 11-41-8-(E), provided:
 - a. Such signs conform to all applicable conditions of the Special Use Permit; and

- b. Such sign permits are applied for within one (1) year of the date of approval of the Special Use Permit or within a time period specified by the Zoning Administrator or Board of Adjustment; or
- 16. Such sign permits are applied for prior to any subsequent amendment to this Article that is more restrictive than provisions existing when the Special Use Permit was approved where the proposed detached signs do not exceed the provisions of such amendment in terms of sign height, area, or number.

 When sign permits may not be issued due to noncompliance with the terms specified

When sign permits may not be issued due to noncompliance with the terms specified above, a modification to the <u>Special Use Permit</u> for the <u>Comprehensive Sign Plan</u> may be requested pursuant to the procedures set forth in <u>Chapter 70</u>.

17. Permits for signs to be placed within the future width line as specified in Section 11-30-6 of this Ordinance shall be issued only upon receipt of a sign agreement specifying that the sign owner shall be responsible for the cost of relocation of such sign when required by the City in conjunction with public improvements (See figure below).

F. Design and Construction Specifications.

1. **Design Specifications.**

- a. All signs shall comply with the appropriate detailed provisions of the Mesa Building Code relating to the design, structural members, and connections. Signs shall also comply with the applicable provisions of the Mesa Electrical Code.
- b. No sign shall be suspended by chains or other devices that will allow the sign to swing due to wind action. Signs shall be anchored to prevent any lateral movement that would cause wear on supporting members or connections.

2. Construction Specifications.

- a. No combustible materials other than approved plastics shall be used in the construction of electric signs.
- b. Nonstructural trim may be of wood, metal, approved plastics, or any combination thereof.
- c. Signs attached to masonry, concrete, or steel shall be safely and securely fastened thereto by means of metal anchors, bolts, or approved expansion screws of sufficient size and anchorage to support safely the loads applied.

No anchor or support of any sign shall be connected to, or supported by, a parapet wall unless such wall is designed and constructed to support the

superimposed load of the sign in accordance with the Mesa Building Code, Chapter 4-2 of the Mesa City Code.

There shall be no visible angle iron supports, guy wires, braces or secondary supports. All sign supports shall be an integral part of the sign design.

d. All electric signs shall conform in design and construction to the appropriate sections of the Mesa Electrical Code and other requirements as deemed necessary by the Development and Sustainability Director.

Electric discharge tubing (neon, argon, etc.) not terminated in an exterior metal sign raceway shall be terminated in receptacles designed and approved for the purpose.

G. Removal of Dangerous, Discontinued, or Illegal Signs.

1. Removal of Signs.

- a. The <u>Code Compliance Director</u> may remove or cause to be removed any discontinued, dangerous, defective, illegal, prohibited, or nonconforming sign subject to removal under the provisions of this Chapter or any other sign maintained in violation of the provisions of this Chapter.
- Notwithstanding the above, in case of emergency, the <u>Code Compliance</u>
 <u>Director</u> may institute the immediate removal of a dangerous or defective sign without notice.
- c. The <u>Code Compliance Director</u> may cause the removal of unauthorized advertising signs from the public right-of-way. Such signs may be impounded as evidence, or disposed of as abandoned property unless claimed by the owner within 30 days. Such signs shall be deemed a nuisance and subject to removal without notice.

2. Disposal of Signs.

Any sign removed by the <u>Code Compliance Director</u> pursuant with the provisions of this Chapter shall become the property of the City and may be disposed of in any manner deemed appropriate by the City. Cost of removal of the sign by the City shall be considered a debt owed to the City by the owner of the sign and the owner of the property, and may be recovered in an appropriate court action by the City or by assessment against the property as hereafter provided. The cost of abatement or removal shall include any and all incidental expenses incurred by the City in connection with the sign abatement or removal.

H. Sign Maintenance.

It shall be unlawful for any person to maintain or permit to be maintained on any premises owned or controlled by said person any sign which is in a damaged or deteriorated condition and constitutes a danger or hazard to public safety, or a visual blight. Any damaged, deteriorated, or weakened component shall be promptly repaired or replaced. Surface materials shall be kept free of chipping, peeling, fading, or rusting detectable from beyond the lot boundaries. Components constructed of natural or artificial materials shall be free of cracks, holes, buckles, warps, and splinters detectable from beyond the lot boundaries. Maintenance requirements for electrical signs and electrical systems include, but are not limited to, prompt removal and replacement of all defective bulbs, fluorescent tubes, neon or other inert gas light segments, damaged or

deteriorated electrical wiring, and malfunctioning control devices and related circuitry. Any sign in violation of this Section shall be removed or repaired by the owner of the sign or the owner of the premises.
